Dear SKIEF referees, judges and coaches

Just one more month to the next SKIEF European Championships! Please find below the latest information from the SKIEF Referee Committee:

Referee training attendance

Some countries have notified us, that they received the information on the training for the referees too late and they will only arrive on Wednesday evening. The referee committee has decided to make the following exception for these championships:

Persons who arrive too late to participate in the training on Wednesday are allowed to referee under the following conditions:

- they study the SKIEF competition rules prior to their arrival at the championships
- they pass the written exam on Thursday, May 18, 2017 at 13 hrs
- attend and pass the practical exam on Thursday, May 18, 2017 at 16.30 hrs.

Any referee / judge who wishes to make use of the exception, kindly send his / her referee registration noting that he / she will attend the second written exam. You will receive an e-mail confirmation with the location of the exam.

Please note that this is a one-time exception – from the next European Championship on all referees / judges are expected to attend all sessions and plan their travel accordingly.
